## [WHAT IS FINE ARTS?]

Fine Arts is a discipleship tool designed to help students discover, develop and deploy their gifts. Every year over 65,000 students across the U.S. prepare entries for District and National Fine Arts Festivals. Our goal with Fine Arts is simple: to connect students to the family of God through the arts and through that, grow closer to God.

## [WHEN IS REGISTRATION DUE?]

Registration for Districts will be due **Wednesday, March 16th**. You must register for Districts if you hope to qualify for the National festival. Scores from the District Festival determine advancement.

## [HOW DO I GET INVOLVED?]

Anyone can sign up to be in a human video on Jan 20 at Xstream. After sign-ups, coaches will contact students and let them know which human video they can be a part of.

If you would like to be on a step, dance, vocal, worship, or unconventional percussion team, please attend the appropriate auditions listed below:

**Spoken Word Workshop:** March 6th - 1:00pm (The Lounge)

*All returning participants must audition again. Just because you were in an entry in 2015 does not automatically put you in an entry for 2016.*

## [WHEN ARE THE PRACTICES?]

Practice dates & schedules will vary for each individual student. **In general, a student will not have more than 2 practices per week for a single category. The number of practices may increase the week of the competition. Every practice during the week will end by 9:00pm.** Practice schedules will be given out after auditions and will be determined by individual coaches. For specific questions, please contact your student's coach/leader.
